Sometimes patients who are booked to have surgery at Wellington Hospital need to come in before their operation to be assessed by the doctors or nurses. And sometimes patients are asked to be at the hospital early on the morning of their surgery.

This can be difficult for patients who live outside the Wellington region. They may have long distances to travel and they may need accommodation in Wellington on the night before their surgery or their pre-assessment.

You may be one of these patients.

**Are you:**

- Booked for surgery or pre-assessment at Wellington Hospital?
- Coming from outside the Wellington region?
- Unable to find accommodation on the night before your surgery?
- Unable to find accommodation that will enable you to keep your appointment at the pre-assessment clinic?

**Accommodation is available at  
Te Pehi Parata Whanau Whare  
Wellington Hospital**
