# Te Ātea Marinō

Te Ātea Marinō is a free service for the Auckland Region.

We are a team of Maori workers who are available to support Tangata Whaiora and their whanau whose lives are affected by the use of alcohol and/or drugs.

We offer a range of alcohol and drug interventions including counselling, support and consultation in a culturally appropriate way.

## We provide specialist services for:

- Rangatahi (youth)
- Kaimanaaki Ukaipo (pregnant women and parents with young children).
- Ariari o te oranga (consumers of mental health service with substance abuse issues).
- Whanau of those who have alcohol and drug issues.

You can access our service at units throughout Auckland. If you can't come in and see us, we may be able to visit you.
