

## Publications/Presentations

### Journal Articles

Painful Lumbosacral Melorheostosis treated by Fusion

Peter A Robertson, Angus S Don, Mary V Miller

- Spine. 2003 Jun 15;28(12):E234-8

Facet joint orientation in spondylolysis and isthmic spondylolisthesis.

Angus S. Don, Peter A. Robertson

- J Spinal Disord Tech. 2008 Apr;21(2):112-5

A brief overview of evidence-informed management of chronic low back pain with surgery

Don AS, Carragee EJ

- Spine J. 2008 Jan-Feb;8(1):258-65

Anatomic Determination Of Optimal Entry Point And Direction For C1 Lateral Mass Screw Placement

Blagg S, Don AS, Robertson PA

J Spinal Disord Tech. 2009 Jun;22(4):233-9

Selection Of Fusion Levels In Adolescent Idiopathic Scoliosis (AIS) Using Fulcrum Bending Prediction - A Prospective Study

Keith D Luk; Angus S Don; Chee S Chong; Yat W Wong; Kenneth M Cheung

- Spine. 2008 Sep 15;33(20):2192-8.

Validity of Self-Reported History in Patients with Persistent Axial Pain following a Motor Vehicle Accident

Don AS, Carragee EJ

- Spine J. 2009 Jan-Feb;9(1):4-12

Does discography cause accelerated progression of degenerative changes in the lumbar disc: A ten-year cohort-controlled study

Carragee EJ, Don AS, Hurwitz E, Cuellar J, Carrino J, Herzog R

- Spine (Phila Pa 1976). 2009 Sep 14. [Epub ahead of print]

## Book Chapters

The Lumbar Intervertebral Disc

Chapter 15: Provocative Discography  
Carragee EJ, Don AS

The Textbook of Spinal Surgery, Third Edition

Chapter 43, The Use Of Discography To Evaluate Lumbar Back Pain With An  
Eye Towards Surgical Treatment  
Eugene Carragee, Angus S Don

- In Print

Evidence-Based Management of Low Back Pain

Chapter 30, Fusion Surgery and Disc Arthroplasty  
Eugene Carragee, Angus S Don

- In Print

## Presentations and Posters – International Meetings

2006 Facet joint orientation in spondylolysis and isthmic spondylolisthesis.

Don AS, Robertson PA

ISSLS - Special Poster; Bergen, Norway

Australian Spine Society - Podium Presentation; Sydney, Australia

2008 A prospective, Multi-centered Validation Study Examining the critical Examining the Critical  
Elements of a patients Self Reported History Following a Motor Vehicle Accident (MVA)

Judged Against an Audit of their Records

A. Don, E Carragee

ISSLS - Podium Presentation; Geneva, Switzerland

NASS – Podium Presentation; Toronto, Canada

## Awards

- North American Spine Society Outstanding Paper award 2008  
*Validity of Self-Reported History in Patients with Persistent Axial Pain  
following a Motor Vehicle Accident*  
Don AS, Carragee EJ
- International Society for the Lumbar Spine Award 2009  
*Does discography cause accelerated progression of degenerative changes in the  
lumbar disc: A ten-year cohort-controlled study*  
Carragee EJ, Don AS, Hurwitz E, Cuellar J, Carrino J, Herzog R
