

Occupational Health Clinic

Supporting Health and Safety in the workplace

We have a dedicated Occupational Health Nurse to deal with work health compliance.

- Annual Health Assessments (can include ECG & Blood testing)
- Hearing and Lung function testing (to meet new WorkSafe standards)
- Pre-employment medicals (exit medicals available)
- Overseas medicals
- Dive & Maritime medicals
- Drivers' medicals (all classes)
- Workplace Influenza and Covid vaccinations
- Workplace vaccinations (for at-risk employees)
- Treatment of work-related injuries and illness for your employees (including follow-ups, referrals & rehabilitation programmes)

Majority of these services can be performed in our clinic and offsite.

Other providers:

Clinic
Information Booklet

GP Clinic

We have two GPs and one NP – Nurse Practitioner: who take care of our enrolled patients but also can cater for specialised care such as **Menopause** and **Corporate Health**.

Other type of consults that we do:

- **ACC claims**
- **Nurse Consults**
- **Liquid Nitrogen Clinic**
- **ECGs**
- **Diabetes reviews and more....**

Our clinic also has a patient portal called MyIndici – the best way to view results, order scripts and contact your provider directly.

Feel free to enquire for more info at reception.
