

## Visiting medical specialist clinics

	<b>Specialist</b>	<b>frequency</b>	<b>day</b>
<b>Neurology:</b>	variable	3x/month	Monday
<b>Cardiology:</b>	variable	monthly	Friday
<b>Rheumatology:</b>	Dr Kumar (+/- Registrar)	fortnightly	Thursday (catch up blitz prn Saturdays)
<b>Respiratory:</b>	Variable	monthly	Friday
<b>Immunology:</b>	2 specialists	bi-monthly	Friday
<b>Haematology:</b>	variable	fortnightly	Tuesday
<b>Oncology:</b>			
<b>Radiation:</b>	Dr Child Dr Elder	weekly fortnightly	Monday Wednesday
<b>Medical:</b>	Weekly service but days of visits variable		

All of these clinics have direct access for GP's. However referral letters are prioritised by the local physicians. If it is felt that the patient can be managed by a general physician rather than the less available sub specialist, the referral will be re-directed.
