If there is no parking directly in front of our premises, and not on the road side, then may we suggest parking in the area behind the Church Hall, directly across the road from our building at **38** Vermont Street, Ponsonby

Please place this sign on the dashboard of your car when using the car park behind the Church Hall at 38 Vermont Street, which belongs to the Catholic Church, and will save your car from being towed away.

Please **DO NOT** park behind The Columba Centre which is the building next door.

PERMISSION TO PARK

In the car park area behind 38 Vermont Street, Ponsonby, permission to park was given in April 2010, by Father Cronan, at the Roman Catholic Church, for staff and clients attending the premises at 25 Vermont Street.
