

RADIATION THERAPY AUCKLAND CITY HOSPITAL

The Radiation Therapy department is located at **Auckland City Hospital, Park Road, Grafton, Building 8 (Regional Cancer and Blood Services - see map below) on Level 4**. The building is an orange brick building behind the main hospital buildings. **The main entrance is opposite Buildings 7 and 9.**

Parking is difficult at the hospital. Limited parking is available for patients in the designated 'Oncology' spaces outside Building 8, and just after Building 8 (see map below). Please ensure you get a parking permit from our Reception and allow extra time to find a park. Alternatively, Carparks A and B (37, 33 below) are available at an hourly rate or you can park in the Auckland Domain, this is free but the time limit is monitored by Auckland City Council.
