

The Code of Rights

Means that you should have:

1. Respect and privacy
2. Fair treatment
3. Dignity and independence.
4. Proper standards
5. Effective communication
6. Information
7. Your choices and decisions
8. Support
9. Rights during teaching and research
10. Your complaints taken seriously

You can also use outside agencies to help you resolve your concerns. These organisations are independent of the hospital.
