DISTRICT HEALTH BOARD STAFF FERTILITY BENEFIT:

Fertility Plus offers staff working at any of the northern region DHBs a 10% discount on appointments and treatments (IVF, IUI and FET), excluding medication charges. This is inclusive of ADHB, CMDHB, WDHB, NDHB and also includes St John Ambulance Staff.

THINGS TO NOTE ABOUT BILLING AND PAYMENTS:

- A cost estimate for your cycle will be prepared at the time of cycle planning.
- Invoices will be sent in the first week of treatment.
- Payment for the treatment is required in full by the day of trigger for IUI and IVF cycles, and by the day of embryo thawing for FET cycles.
- Treatment will not proceed if the payment has not been made.
- Subsequent cycles including frozen transfers will not be commenced if there is an outstanding balance.
- Medication is required to be paid at the clinic when picking up the prescription.
- Prices may be subject to change without notice.
- All appointments are to be paid on the day of the appointment.
- The chance of pregnancy depends on many factors; there are no refunds if you do not become pregnant.
- Please ensure that your contact information is up to date as your invoices will be emailed or posted to you.

HOW TO MAKE A PAYMENT:

- Payment methods: Cash, EFTPOS, online banking, credit card.
- Prices are in NZ dollars and include GST.
- Online payment details:
 - Remit to: Auckland District Health Board
 - Bank: BNZ Account Number: 02-0500-0416029-00
 - Particulars: enter your NHI

At Fertility Plus, we work with you to deliver a personalised treatment plan based on your diagnosis and best treatment options while honouring your individual values.

WHAT MAKES US DIFFERENT?

Fertility Plus has been leading IVF treatment in New Zealand for more than 35 years. We provide a comprehensive range of fertility investigations and treatments, and have helped thousands of people fulfil their hopes of starting a family.

- We offer both publicly funded and private fertility treatment.
- We focus on the individual delivering the latest, evidence-based treatment care options.
- A part of the Auckland District Health Board, you'll have access to the best specialist and expertise available.
- Our fertility services are integrated with general gynaecology, maternity and medical services at Auckland City Hospital, ensuring we can support all aspects of your fertility treatment and on-going care.

HOW MUCH DOES TREATMENT COST?

We tailor your treatment plan to your needs and estimated costs are discussed in a consultation with one of our fertility specialists. This brochure outlines the costs for:

- Consultations
- Investigations
- Fertility Treatments
- Medications

Talk to us today to discuss your fertility pathway.

At your first visit at Fertility Plus you'll meet with the doctor who will walk you through your fertility options and plan your personalised fertility plan.
