Vestibular & Balance Service

Over the last 12 months Active+ has been delivering a **Vestibular service throughout the Taranaki region.**

Our team of experienced physiotherapists can make huge improvements in dizziness symptoms, usually in just a few treatments.

Our services can help with:

- ✓ Dizziness
- ✓ Concussion
(including ACC Concussion service)
- ✓ Nausea (relating to dizziness)
- ✓ Vertigo
- ✓ BPPV
- ✓ Balance and co-ordination
- ✓ Visual disturbances

Initial treatment \$120 | Follow-up treatment \$80

No referral is required, but they can be received via email **taranaki@activeplus.co.nz** or **edi: physionp**

06 769 9992 | taranaki@activeplus.co.nz
